

Well Established Sandblasting, Priming and Painting Business in the Grampians

Melbourne

Established in 2008 is a longstanding business offering a comprehensive range of sandblasting, priming and painting solutions, including convenient mobile sandblasting services. It caters to a diverse clientele across Victoria's Grampians region and beyond, cultivating a strong reputation for its quality workmanship and customer service. An impressive 80% of the revenue is recurring, demonstrating its stability and profitability. With the owner seeking retirement, this outstanding business is brought to the market, offering a prime opportunity for a new owner to capitalise on its established...
