

Luxury Penthouse with Bay & Beach Views

8/25 Allambi Rise, Noosa Heads

2 2 1

Perching just behind the beach, this fully renovated penthouse is one of only a few in Little Cove with sun-drenched decks, and 180 degree bay & beach views.

Panning from West to East, you capture views along Hastings St Main Beach and the river mouth, across Laguna Bay to the North Shore and along the National Park coastline to the rising sun. Absolutely unique.

Penthouse 8 has been tastefully renovated with the highest standard of finishes and appliances. Frameless glass bi-folds stack back to open the living space to the sunny deck where you can lean on your railing and watch board riders...
